

ASIA

UNION Church provides financial support and has sent church members to help spread the word of God by assisting the following Asian ministries

Cambodia, fled to the United States, and returned to Cambodia in 1992 to bring the news of Jesus Christ to his native land. Union has supported Reverend Lee since 2004. Union Church sent two mission groups to assist Reverend Lee in 2006. One group provided site planning and architectural design for a new hospital, bible college and associated living quarters. Another mission accompanied trained healthcare professionals to assist in Medical Ministries.
